

Ideal Instruction's Instructional Leadership Training

Practical workshops designed to support K-12 leaders bring instructional leadership to life.

Build a Vision of Exceptional Leadership

- Experience hands-on workshops that transform proven instructional leadership strategies into a clear, shared vision for you and your school community.

Practice the Leadership Skills

- Learn alongside experienced school leaders who have implemented and coached these strategies in classrooms across the country.

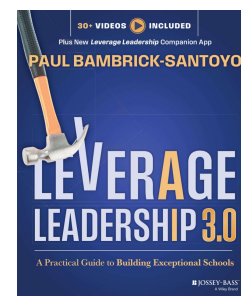

Learn from Leading Practitioners

- Practice key leadership moves, build habits, and leave with a clear plan to implement immediately in your school.

Ideal Instruction is a dream partner. They created all the quality videos in Leverage Leadership 3.0, representing the very best in instructional leadership from across the world.
